

ASAPIO Cloud Integrator for SAP Fieldglass and SAP Ariba

ASAPIO is service and software provider for SAP procurement solutions and cloud integration since 2003, based in Munich, Hamburg, Stuttgart and Voronezh/RU. We are SAP partner and supplier to SAP services and development teams.

What makes ASAPIO Cloud Integrator unique?

Connects **SAP ERP, S/4HANA** and most other SAP NetWeaver systems to SAP cloud solutions.
No middleware required.

End-to-end integration for **master data** and **business transactions**, including communication and monitoring.

SAP Fieldglass 

ACI is the only **out-of-the-box solution** for full integration of SAP Fieldglass.

SAP Ariba 

for **SAP Ariba**, ACI enables **user-management, multi-backend scenarios, delta loads** and **custom enhancements**, e.g. in addition to SAP CIG.

ACI is a **packaged Add-on**, deployed in **shorter time** and **with lower risk** compared to custom-built integrations.

Top customers

- Ariba integration: Merck, Deutsche Bahn, Nestlé, SAP, tesa, C&A, Innogy, ...
- Fieldglass integration: UGI, Southern California Edison, Telus, Rio Tinto, ...

Value proposition

- Ready-to-run in short time, e.g. **2 weeks** for SAP Fieldglass core package
- Market proven: ACI is available **since 2012**
- Supports **multi-backend** scenarios and **delta loads**
- Extensive features for data **extraction, mapping, monitoring** and custom-specific **enhancements**
- **Maintenance** through phone and ticket system available
- **Free updates** included
- **Subscription** or up-front license model available
- **Future-proof**: ACI also works with many other cloud solutions
